

**GREENBUSH TOWNSHIP
OFFICE OF ZONING ADMINISTRATION AND BUILDING INSPECTION
SCOT ROSEVOLD 307 7TH AVE S. PRINCETON, 55371 763-389-3963**

Building permits are required in Greenbush Township.

Agricultural structures for agricultural use only require site permits.

A septic compliance inspection is required to be submitted prior to property transfers, for lot splits with homes, and for the addition of a bedroom. If system is non-compliant, the township notarized upgrade form is required to be submitted before property transfers and lot splits, and shall include the notice of non-compliance and design forms.

The 2020 (MRC) Minnesota Residential Code and 2020 (MBC) Minnesota Building Code are adopted by the township.
